The combination *Agave nanchititlensis* (Matuda) Thiede & Eggli was not validly published according to ICN Art. 41.5. Note 1 (McNeill *et al.* 2012), since Thiede & Eggli cited the page reference of the whole publication of Matuda (1974; “51–55”), but not the exact page on which the basionym was published (“54”). To make the combination available, it is validated here.
